FIG. 51

FIG. 52 is a schematic diagram of a computer screen displaying a web-based ordering system for a restaurant. The screen is divided into several sections. At the top, there is a navigation bar with links: HOME, FAVORITE ORDERS, ORDER HISTORY, SP CREDITS, CONTACT US, and HELP. Below this, the main content area is divided into two columns. The left column contains a 'Service Provider Logo' and a 'START YOUR ORDER!' button. Below the button, there are four steps: 1. select a location, 2. select a restaurant, 3. place an order, and 4. confirm your order. The right column displays the restaurant's menu, categorized into Nibbles, Side Dishes, Sandwiches, and Salads. Each item has a price and a quantity selector. A 'CHECK OUT' button is located at the bottom of the menu section. The screen also includes a 'Company Logo' in the top right corner and a 'View Restaurant Info' link. The overall layout is clean and user-friendly, designed for easy navigation and ordering.

FIG. 99

The screenshot shows a web application interface for editing a company's location list. The interface is divided into several sections:

- Header:** Contains the "Service Provider Logo" on the left and the "Company Name" on the right. Below the company name is a "Company Logo" placeholder.
- Navigation:** A horizontal bar with buttons for "HOME", "LOG IN", and "LOG OUT".
- User Information:** Displays the company name "COMPANY 'Acme'", the department "EDITING DEPARTMENT 'Acme Legal'", and the user email "USER jdoe@acme.com".
- Locations List:** A section titled "LOCATIONS LIST" containing a table of locations. Each row has a location name, a "DELETE" button, and an "EDIT" button. The buttons are labeled with IDs: 4924 for the location name, 4922 for the delete button, and 4920 for the edit button.
- Navigation Links:** Three buttons with left-pointing arrows are located below the locations list, labeled "Back to companies list", "Back to departments list", and "Back to users list". Each button is labeled with the ID 4926.
- Form:** A text input field labeled "add new location..." is located below the navigation links. It is labeled with the ID 4926.

The interface is designed to allow users to manage the location list for a specific company. The use of IDs (4924, 4922, 4920, 4926) likely refers to specific UI elements or data points in a system.
